

19th Annual WING KEI WALKATHON

www.wingkei.org

July 2019

You Helped Us Raise \$335,000!

The sunshine broke out minutes before the walk after the heavy rain on Friday. It is truly amazing that 1,600 participants joined the 19th Annual Wing Kei Walkathon on June 22 morning, pouring in \$335,000 in pledges!

A huge thanks to all of you, not only that we exceeded our fundraising goal, but also for supporting Wing Kei's mission in providing exemplary care to our residents and family members. We would like to take this opportunity to say THANK YOU to all our sponsors, dignitaries, volunteers and staff members. THANK YOU to those who came out to support the Walkathon. Together, Wing Kei will be walking further with our seniors!

Rain or Shine. No matter what, we will support the Walk.

This is the first time I'd ever heard of Wing Kei. My friend signed me up to join her team. Well done!

Wing Kei is doing something great for the community. Just look at the amount of support showing up today!

~ Ben

The most touching part is to see many residents who joined us together in their wheelchairs. It is just so inspiring.

It is a true spirit of Volunteerism.

Go Wing Kei Go!

~ Anna

Didn't know that Wing Kei even cooked all the food for our lunch boxes. So delicious! Thank you.
