- July Residents Stampede Party**
- July Village Street Renaming**
- August 11th Wing Kei Charity Golf**

The 25th Annual Walk for Wing Kei successfully concluded, raising an impressive \$351,000 in support of the first phase of Wing Kei Village – the Wing Kei Highland Park on June 22, 2025.

Despite heavy rain on the day of the event cancelling the outdoor walk, the spirit and enthusiasm of the community shone brightly inside the Calgary Chinese Cultural Centre. More than 600 participants, supported by 100 dedicated volunteers and 30 vibrant teams, came together to support a shared vision. The event was further enriched by 12 dynamic performing groups, whose stage programs filled the day with joy and heartfelt moments.

With heartfelt gratitude, Wing Kei looks forward to welcoming the community again next year to continue this cherished tradition on June 20, 2026.

Wing Kei Highland Park Address: 120 Wing Kei Place NE!

Wing Kei Place NE will be the new name as approved by the City of Calgary for the current 41st Avenue NE access into the future Wing Kei Village and Wing Kei Highland Park! This historic milestone for Wing Kei, which comes on our 20th operating anniversary year, truly celebrates the permanence of our values to serve with *Unconditional Love, Courageous Innovation*.

Bringing Midway Games Home

In July, Wing Kei hosted a Residents' Stampede Party. Throughout the event, residents took part in carnival-like games as seen in Stampede, while the photo booth captured keepsake snapshots complete with western-themed props. Laughter, music, and friendly competition filled the room as neighbours and volunteers connected across generations.

Garden Blooms Thanks to Dedicated Volunteers

This summer, the gardens are alive with colour, thanks to the hard work of over 50 dedicated volunteers. From planting and watering to pruning and weeding, they have created vibrant, life-giving spaces for all to enjoy, enriching the quality of living here at Wing Kei.

"My mom was here until she turned 98. The staff here were incredible so I am giving back what they gave to us through my love for gardening. I love it that our seniors and staff enjoy the garden."

~ Mary Ng, volunteer and former family member
