

WING KEI

Family update #102

May 3, 2021

Dear family and friends,

COVID update

A team member from Wing Kei Greenview tested positive for a COVID variant of concern on Saturday. The staff member last worked on April 22, 2021. We reported the case to Alberta Health Services Communicable Disease Control and they have determined this situation is not an outbreak since it has been over a week since the staff member was on site. As always, we will continue to monitor residents closely. We are grateful that residents have received both doses of the COVID vaccine; that gives us great comfort.

Verification letter for Designated family/support persons

With the next phase of the provincial government's vaccine rollout plan (2C), up to four designated family/support persons of residents in long term care, designated supportive living and licenced supportive living facilities are now eligible to receive a COVID vaccine. If you are a designated family/support person and require a verification letter, please speak with your clinical manager. Please take advantage of this opportunity and take your immunization. You can call 811, go onto the Alberta Health Services website, or contact your local pharmacy to book an appointment. We strongly encourage all designated family/support persons to be immunized and for visitors to receive at least one dose of the vaccine prior to visiting.

Family Town Hall

Our next Family Town Hall will be on Wednesday, May 5 from 5.30 pm to 6.30 pm. We will discuss the new CMOH Order 16-2021 regarding visitation and our recommended approach. Please do attend. Submit your completed [Registration Form](#) and questions by tomorrow morning so we can be sure to address them at the meeting. Please note only general questions will be answered at the meeting. If you have a question specific to your loved one please contact your manager.

Thank you for keeping Wing Kei in your prayers.

*Taste and see that the Lord is good;
blessed is the one who takes refuge in him.
~ Psalm 34:8*
