

Family update #153

April 8, 2022

Dear family and friends,

Thank you to all who joined the Family Town Hall this week. For us the gatherings are like a warm embrace from families. We are very thankful to everyone who shared their touching stories and experiences with us. Your support and encouragement is vital to keep us move forward during difficult times.

COVID Update

As of today, 30 residents on the second floor and 13 residents on the fifth floor have tested positive for COVID. Physicians have been visiting residents on the units and our staff are taking very good care of everyone. Residents who tested positive are recovering well. We are grateful that no one experienced serious symptoms.

22nd Walk for Wing Kei

We were pleased to launch the 22nd Walk for Wing Kei (virtual edition) at the Family Town Hall. Please join this community-spirited event and encourage your friends and families to as well! The Walk will until June 25, 2022. Thank you for keeping Wing Kei in your prayers.

I remain confident of this:

I will see the goodness of the Lord in the land of the living.

Wait for the Lord;

be strong and take heart and wait for the Lord.
