

Family update #154

April 11, 2022

Dear family and friends,

I hope you had a nice and restful weekend.

COVID Update

As of today, 32 residents on the second floor and 14 residents on the fifth floor of Wing Kei Crescent Heights have tested positive for COVID. Another round of prevalence test will be done today for the fifth floor residents who have tested negative. All residents are doing well.

Visitation

Just a reminder that currently only essential visits are allowed on the second floor and fifth floor of Wing Kei Crescent Heights. We also recommend that visitation be limited to essential visits on the remaining floors, as a precautionary measure.

Thank you very much for your cooperation and support.

*Peace I leave with you; my peace I give you.
I do not give to you as the world gives.
Do not let your hearts be troubled and do not be afraid.
