

Family update #173

September 2, 2022

Dear family and friends,

Hope you are enjoying the cooler weather these few days. I would like to share with you the following information.

Respiratory Infection Outbreak

As we are still waiting for the lab test result of one resident, Greenview Supportive Living third floor is still on outbreak until further notice. We are grateful that most of the affected residents have recovered well. Many of them are off isolation and they are very happy to have meals and activities with their friends as usual.

Parking outside Wing Kei facilities

A gentle reminder for our staff and family members: It has been drawn to our attention that some cars are parked in the “No parking” or “Drop off” zone outside our Crescent Heights and Greenview locations. The “Drop off” zones are designated for ambulance parking in case of emergency and for drop-off only for other users. We have received warning from Calgary Parking Authority that they are closely monitoring the areas and tickets will be issued to users for inappropriate use.

Family Town Hall: Sept 7, 2022

Our next [Family Town Hall](#) is on Wednesday, **September 7, 2022 from 5.30 pm – 6.30 pm**. To attend, please complete the [Registration Form](#) by Monday, September 5, 2022 and include any questions that you would like to discuss at the Town Hall. Please note that only general questions will be answered and if you have any personal questions, please contact the unit manager.

Thank you for your support! Have a nice long weekend!
