Dear family and friends,

As we welcome the Year of the Snake, we wish you and your loved ones a year filled with happiness and good health. This festive season is a time for celebration, tradition, and togetherness, and we are delighted to share it with our residents.

To celebrate this important festive occasion, we will arrange special food for the “Reunion Dinner 團年飯”, “New Year Feast 開年飯” and “Everyone’s Birthday 人日” for our residents to enjoy. We will also organize engaging festive activities and cultural performances to bring the spirit of the Lunar New Year to life. Our team is dedicated to creating a warm and festive atmosphere, ensuring that our residents feel the joy of this celebration.

Thank you again for your continued support and trust in us. May your new year be filled with God’s love and blessings!

*Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name.
For the Lord is good and his love endures forever; his faithfulness continues through all generations.
