Dear family and friends,

25th Annual Walk for Wing Kei

Thank you! We are so grateful that over 700 people showed up despite the pouring rain to join the 25th Annual Walk for Wing Kei. While outside the Chinese Cultural Centre, we were faced with cold rain and gusts, inside the air was filled with the warmth of people's hearts who came to support Wing Kei and its mission to provide high-quality, culturally-appropriate care to seniors in Calgary. So far, we have raised about \$338,000 from 28 sponsors, 32 teams, and hundreds of donors. Sincere thanks! Our goal this year is \$400,000. Please help us to reach our goal. For those who are thinking of contributing, it is not late! We continue to accept donations until July 31, 2025. To give, please visit www.walkforwingkei.org.

Wing Kei Village Phase One Update

The construction is progressing steadily at Wing Kei Village Phase 1. Work continues on the plumbing, framing, window installation, and electrical systems. The large red construction crane has now been removed from the site, marking a key milestone. Some rooftop HVAC equipment has been delivered. In addition, groundwork has

begun for the cul-de-sac and the new entry ramp to the above-ground parking lot. We are so thankful to the Construction team that we can a lot of changes each day on the work site.

Parking spots outside Wing Kei facilities

Family members and visitors please be reminded to avoid parking in the designated disabled parking spots located outside Wing Kei facilities, unless you have a valid permit. These spaces are reserved to ensure accessibility for those who truly need them. Please take a moment to park your vehicle properly in the available general parking areas. Your cooperation helps ensure safety and fairness for everyone visiting our facility. Thank you for your understanding and support.

Reception Closed: July 1 Canada Day

The Reception will be closed next Tuesday, July 1. Families and visitors please remember to bring your Access Card when you come to visit your loved one.

Until our next update, take care and enjoy the beautiful summer!

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.
