

October 24, 2025

Dear family and friends,

It's always a pleasure to stay in touch and share a few updates with you.

A Heartwarming Season of Cultural Connection

This season, our residents have been enjoying a vibrant lineup of cultural celebrations and entertainment!

We recently celebrated the Mid-Autumn Festival with a special meal arranged for all residents on October 6. Recreational activities included traditional riddle games, story sharing, and songs that brought back fond memories. They were treated to delicious mooncakes from *Lotus Deli* and Greenview residents enjoyed refreshing tofu desserts generously sponsored by *Lisa Lu* and *Foresters Financial* — a sweet touch to a meaningful celebration.

The month also featured visits from Diverse Musical Groups, filling our homes with everything from Chinese Opera Gospel, to 80s and 90s Chinese pop, oldies, and beautiful Guzheng instrumental music.

To top it all off, a talented volunteer magician brought smiles and surprise with delightful magic shows on all units — a crowd favorite!

We are grateful for the continued community support that helps make these events possible and meaningful for our residents.

Influenza & COVID-19 Vaccination for Residents & Staff

We are grateful that our residents are doing well. To give more protection to them against the virus, we have arranged for eligible residents to receive the seasonal influenza and COVID-19 vaccination in this season, and majority of them have received.

Staff flu clinics are being held at both CH and GV this week and next week to ensure our team is also protected for the season.

As we enter the influenza season, we kindly remind and encourage all families to receive your flu and COVID-19 vaccinations through your healthcare provider or community pharmacy. Please practice good hand hygiene during visits by using the hand sanitizer stations provided. If you are feeling unwell or experiencing cold or flu-like symptoms, we respectfully ask that you refrain from visiting until you have fully recovered.

Your cooperation plays a vital role in helping us maintain a safe and healthy environment for all residents, staff, and visitors.

Temporary Visiting Restriction – CH 2nd Floor Air Conditioner Installation on Oct 29

A new air conditioner will be installed at CH 2nd floor on Wednesday, October 29. The installation is scheduled to begin in the early evening. To ensure the safety and smooth progress of the work, we kindly ask that no family visits take place on CH 2nd floor after 6:00 PM on that day. This temporary change is necessary due to the presence of contractors, equipment, and limited access to certain areas during the installation. Regular visiting hours will resume the following day, and we appreciate your understanding and cooperation during this time.

Thank you for your continued support.

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

~ Romans 15:13

With gratitude,
Kathy Tam
Chief Executive Officer
