

Family update #219

October 23, 2023

Dear family and friends,

Outbreak Update

Below is the current outbreak status:

Location	Type of Outbreak	No. of residents affected as of Oct 23, 2023	Tentative Lift Date
WK Crescent Heights 2F	COVID	14	Nov 6
	Influenza A	--	Outbreak lifted
WK Crescent Heights 4F	COVID	--	Outbreak lifted
Greenview- SL 3F	COVID	6	Nov 2
Greenview – LTC 1F	COVID	2	Nov 3

We are thankful that the Influenza A outbreak at Crescent Heights second floor and the COVID outbreak at Crescent Heights fourth floor have been lifted. Other COVID affected residents are all recovering well. Thanks to our teams for their hard work and the families' understanding and support.

Please be reminded that currently **only essential visitors are permitted in the outbreak units**, including meal time assistants who provide feeding support during meals and emotional support for the residents. Other visitors to the affected units please communicate with the unit nurse first prior to visitation. To minimize the risk of infection, **staff and families/visitors must wear a mask while in Wing Kei facilities**. Clean masks are available near the reception area.

Wing Kei Village Phase 1 Sod-Turning Ceremony: Oct 27, 2023

We are pleased to share that the Sod-Turning Ceremony of Wing Kei Village Phase 1 will be held on October 27, 2023. The project will provide 180 long term care and hospice care spaces at its completion. All family members are cordially invited to join us in commemorating this special milestone. The event details are as follows:

Date: Friday, October 27, 2023

Time: 2:00 PM

Location: Wing Kei Village, 4120 Centre Street NE, Calgary, AB T2E 2Y7

If you are interested to attend, please [RSVP](#) as soon as possible. We look forward to meeting you at the event!

Take care and stay healthy

From Alberta Health's respiratory virus outbreak report, there are close to 100 care facilities on COVID outbreak in Calgary at present. We strongly encourage families and visitors to receive the flu vaccine and the new COVID vaccine to minimize the risk of infection. If you experience any symptoms, even very mild, please delay your visit. Thank you so much for your continued diligence in keeping yourselves, your families, and the Wing Kei community safe.
