### Launching of “Circle of Joy” – a capital campaign for Wing Kei Village

Last Friday, October 27, over 200 community members joined us in celebrating the Wing Kei Village Phase I Sod Turning Ceremony, including officials from the Provincial Government, City Council, Consulate-General of the People's Republic of China in Calgary, as well as former MLAs and long-time friends of Wing Kei. My heartfelt thanks to all family members who participated in-person or watched the livestream. You may click [here](#) to review the recording of the event.

On the same day, Wing Kei also launched the “Circle of Joy” – a capital campaign to raise \$5 million over the next three years for building Wing Kei Village. This amenity rich, intergenerational facility costs an estimated \$85 million to build and plans to open in January 2026. It will offer 180 continuing care and hospice beds at its completion. We are so excited to walk with you and the community on

this new journey to provide a loving and joyful home for 180 seniors. For more information, please email [community@wingkei.org](mailto:community@wingkei.org).
