

Family update #232

January 30, 2024

Dear family and friends,

COVID Outbreak Update

We are grateful that the outbreak on the second floor of Greenview Supportive Living has been lifted today. Visitation on the unit resumes normal. Sincere thanks to our staff and the community for keeping the number of infected residents to a minimum and they did not spread.

Online booking for visitation room

We are glad to see that a lot of residents and family members enjoy the use of private visitation rooms in Wing Kei for family gatherings. If you require one for a larger gathering (maximum eight people), we encourage you to fill out the [online booking form](#) to reserve it. The rooms are reserved on a first-come-first-served basis. Please submit the form at least five business days in advance to secure your booking. The online booking form can be accessed 24/7 at "[Family Corner](#)" in Wing Kei website.

Family Town Hall: Feb 7

Our next [Family Town Hall](#) is on Wednesday, February 7, from 5.30 – 6.30 pm. If you wish to attend and have not registered, please complete the [Registration Form](#) by Monday, February 5 and include any questions that you would like to discuss at the Town Hall. Please note that only general questions will be answered and if you have any personal questions, please contact the unit manager. Hope to see you there!

Take care. Have a wonderful week!

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.
