

## Family update #233

February 12, 2024

Dear family and friends,

At the beginning of the Year of the Dragon, may I wish everyone a blessed and healthy new year!

I have the following updates for you in this email.

### COVID Outbreak Update

Currently two residents on the third floor of Wing Kei Crescent Heights have test positive. We are thankful that they have only minor symptoms and we are monitoring the condition of all residents closely. Outbreak has been declared on the unit and visitation is currently limited to essential visitors only to prevent

the spread of the virus.

Chinese New Year is a great time for families and friends to gather, celebrate and share the happiness. While we feel so glad to know that many families and friends have a joyous time during the Chinese New Year, we would like to remind everyone to always practice good hand hygiene and wear a mask or delay visitation if feeling unwell to eliminate the spread of the virus. Let us work together to protect our seniors so that visitation for your loved ones can be carried out without limitation.

### Upcoming events

#### 2024 Walk for Wing Kei – June 22

The walkathon this year will be held on June 22 at Sien Lok Park, Chinatown. We have a special activity this year: there will be a Photo booth for participants to commemorate the occasion and take home a souvenir. Save the date. Stay tuned for more information!

### Construction of Wing Kei Village Phase 1

Different construction crews are currently onsite preparing for the construction. Phase 1 is planned to complete in 2026 and will consist of 180 continuing care beds on completion. We will provide updates as the project progresses.

### Gratitude for families attending Family Town Halls

We had a successful family town hall once again last Wednesday. These regular meetings have been going on since the beginning of the pandemic in 2020. We continue to see a lot of family members attending the meeting, among them are many familiar faces who attend each and every time. No words can express my sincere gratitude for your continual support through happy or challenging times. Thank you so much!

Until our next update, please have a great week!

*The Lord is my strength and my shield; my heart trusts in him, and he helps me.  
My heart leaps for joy, and with my song I praise him.  
~ Psalm 28:7*

With gratitude,  
Kathy Tam
