Dear family and friends,

COVID Outbreak Update

We are very grateful that all affected residents on the first floor of Greenview Supportive Living have recovered and no more isolation is required. The tentative lift date of the outbreak is March 27. Thanks for the hard work of all staff and the cooperation of families and visitors.

We are so excited that the provincial government is currently accepting applications for the Quality of Life Initiative Grant. It is a one-time grant for projects that advance quality of life for continuing care home residents in Alberta. We are now working on the application and planning to consult you at the upcoming Family Town Hall on April 3. If you are interested to know more about the grant, be sure to join the family town hall.

If you wish to attend, please complete the [Registration Form](#) by Monday, April 1 and include any questions that you would like to discuss at the Town Hall. The Reception will be closed this Friday, March 29. Families and visitors please remember to bring your Access Card when you come to visit your loved one.

Thank you very much for your support!

Let the morning bring me word of your unfailing love, for I have put my trust in you.
