

## Family update #241

May 23, 2024

Dear family and friends,

### Influenza-Like Illness Outbreak

We are grateful for the resilience shown by our residents during the Influenza-Like Illness Outbreak on the fifth floor of Wing Kei Crescent Heights, which was lifted on May 20. All residents are doing well. We continue to encourage family members and visitors to practice good hand hygiene to prevent the virus.

### Mother's Day Celebration

During the Mother's Day weekend, special performances had been arranged to celebrate with our residents.

**Westside Calgary Chinese Alliance Church Spring of Life Fellowship**, through their music, dance, and words of blessing, brought an abundance of joy and smiles to our residents, making the Mother's Day weekend truly special.

**Jennifer Fraser's Pet Visit** – Jennifer, her two daughters, and three dogs visited our Greenview residents. The two larger dogs, Chardonnay and Fabio, performed many cute and clever tricks to the residents' delight, while the smaller dog, Razzle, enjoyed being petted and hugged by everyone. It was a fun-filled day for the residents. Crescent Heights residents will enjoy the show on June 15.

Enjoying delicious food is very important to all of us. On May 11, a special Mother's Day lunch with grilled salmon and mashed potatoes was prepared for the residents. We are so glad they all enjoyed the meal. For the upcoming Dragon Boat Festival, we are planning to serve traditional Zongzi and other festive dishes. Similarly, for Father's Day, we have a special menu in the works. Stay tuned for more information!

### Summer menu

Thanks for the feedback and suggestions from residents and families, our summer menu has started on April 29. Besides trying a few new dishes, we have also added the "Snow Fungus Sweet Soup" which residents have thoroughly enjoyed. Please continue to share your feedback with us.

### Wing Kei Village Development Update

The contractors are continuing efforts in creating a stable foundation for the new care centre. Shoring is complete, with retaining walls being installed around the perimeter of the construction site. Drilling for future support beams continues. Once that is complete and the support pillars are in place, we will move forward with the foundational layer, on which the Wing Kei Village Phase One building will sit.

To receive more frequent updates on the Wing Kei Village, please stay tuned to our website and follow us on Facebook or Instagram.

### Family Town Hall: June 5

Our upcoming [Family Town Hall](#) will be on Wednesday, June 5, from 5.30 – 6.30 pm via Zoom. This is an opportunity for us to update you on the latest developments at Wing Kei and for you to ask any questions you may have. At the meeting we will share with you Wing Kei updates and video of the residents during recreation programs. If you are interested in attending, please complete the [Registration Form](#) by Monday, June 3 and include any questions that you would like to discuss at the Town Hall. Please note that only general questions will be answered. If you have any personal questions, don't hesitate to contact the unit manager.

*Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows.*
