

## Family update #249

Aug 30, 2024

Dear family and friends,

### COVID Outbreak Update

The outbreak on the third floor of Greenview Supportive Living was lifted yesterday.

Currently, fourth floor of Wing Kei Crescent Heights is still on outbreak. According to AHS guidelines, once outbreak has been declared, resident with any related symptoms is considered COVID positive without the need of RAS test. As of today, a total of 13 residents on the unit have been affected. Thankfully their symptoms are mild and they are recovering well.

**We encourage visitation to the affected unit by essential visitors only**, who provide support during meal times (feeding) and emotional support for the residents, until the outbreak is lifted. **Continuous masking on resident units is mandatory.** Good hand hygiene is also an effective way to prevent the virus.

### 10<sup>th</sup> Annual Wing Kei Charity Golf

We are delighted to share that over \$116,000 was raised at the 10<sup>th</sup> Annual Wing Kei Charity Golf event. Our heartfelt thanks for the great support from over 100 attendees and 40 sponsors. Generous donations from individuals and organizations for the silent auction are greatly appreciated. The funds raised will go towards the development of Wing Kei Village Phase 1.

### Wing Kei Village Phase 1 Construction Update

As we continue to prepare the foundation for the new facility, new structures have begun to form, such as concrete pillars, walls, and the future elevator shaft. Sincere thanks to all who are involved for their hard work.
