

Family update #254

November 29, 2024

Dear family and friends,

I hope this message finds you well. As we embrace Calgary's weather – chilly winds or fluffy snowfalls – please take extra care of yourselves during this season. Dressing warmly, staying hydrated, and keeping an eye on road conditions are small but important steps to staying safe.

Wing Kei Village Phase One Construction Update

We are so excited to share with you that the foundation for the parkade and the basement level of Wing Kei Village Phase One has been completed. The construction team is currently installing the main floor's concrete slab. We expect this step to be finished by the end of the year. We thank our contractors for their dedication as they work through the snow and cold temperatures heading into the winter season.
