Christmas Video

Families are invited to send in one video greeting or song that we can play for your loved one this Christmas season. **Please send in your video by Wednesday, December 9.** We will compile them and share with your loved one between December 14 and December 25. Please note the following guidelines:

- Keep the video to a maximum of 10 minutes long
- If multiple family members would like to send a greeting to one resident, please combine all the greetings into one video before sending. Ideas include:
 - Meeting with various family members on zoom, recording the meeting and sending that in
 - Editing a video with multiple videos strung together into a single video
 - Use an app such as Acapella where many family members can sing a song together
- Please do not send multiple videos for one resident as we are not able to edit them
- Edit permissions so the video can be shared by anyone that has the link
- For Crescent Heights, please send to chfamilyvisit@wingkei.org
- For Greenview, please send to gvfamilyvisit@wingkei.org

Thank you for keeping Wing Kei in your prayers.

his faithfulness continues through all generations.
