Note: The above table indicates the current outbreak on the 3rd floor of Crescent Heights. The outbreak on the 5th floor of Crescent Heights was declared on December 18th, 2020 and cleared on January 6, 2021.

COVID-19 Vaccination

As mentioned last week, our Greenview residents will receive the vaccination on January 12 and Crescent Heights residents will receive it on January 13. We're very glad to know that many of our staff have received the vaccination or planning to receive it since last week. This is an effective way to limit the spread of the virus.

Family Town Hall

Our upcoming Family Town Hall will be on Wednesday, January 13 at 5.30 pm. Dr. Mah, Wing Kei's Medical Director, will explain the vaccination at the meeting. Please email selinacheng@wingkei.org for the Zoom meeting information if you would like to join.

Thank you for keeping Wing Kei in your prayers.
