

WING KEI

Family update #87

February 18, 2021

Dear family and friends,

Chinese New Year Greetings

Chinese New Year is a time for families and friends to get together, send out warmest wishes and celebrate together. On behalf of all Wing Kei teams, I would like to wish you health, joy and love in the Year of the Ox.

We all celebrated Chinese New Year differently — physically away from our loved ones and sending good wishes across the city and across the miles. We hope the year ahead brings reunions where we can hold each other tightly once again.

We would also like to share with you greetings from [Community Leaders and Wing Kei friends](#) and our [Board of Directors](#).

Celebration with our residents

Many celebration activities, Chinese New Year dishes and snacks have been arranged for the residents to enjoy during the Chinese New Year. Click the video from [Wing Kei Crescent Heights](#) and [Wing Kei Greenview](#) to feel the joyous new year atmosphere.
